

You can use your HSA dollars to pay for:

- 1 Routine health care
- 2 Hospital expenses: room and board, surgery
- 3 Medications: prescription and over-the-counter (OTC) drugs when prescribed by a physician
- 4 Dental care: exams, X-rays
- 5 Vision care: eye exams, glasses contacts
- 6 Copays and coinsurance (the portions of the health care bills paid by you)
- 7 Eligible over-the-counter (OTC) items* such as:
 - First Aid Dressings and Supplies: bandages, rubbing alcohol
 - Contact Lens Solutions/Supplies
 - Diagnostic Products like thermometers, blood pressure monitors, cholesterol testing
 - Insulin and Diabetic Testing Supplies

* See Internal Revenue Manual Section 1.1301-1 for a complete list of eligible OTC items. For more information or visit www.irs.gov for details.

The amount you save in taxes with a Health Savings Account will vary depending on the amount you set aside in the account, your annual earnings, whether or not you pay Social Security taxes, the number of exemptions and deductions you claim on your tax return, your tax bracket and your state and local tax regulations. Check with your tax advisor for information on how your HSA works.

For more information, please refer to the plan document. The plan document will govern.
